Learning Activity Chapter 1 Number 1

Take the freight.html file, open it in a text editor like Notepad++ and edit it. In the file he has the cost be 1/10 of the distance. Modify the file so that the cost is now 1/5 of the distance.

FTP the file to your space on goDaddy. Be sure it is in Chapter 1 folder. Test it from the browser. Create a link from your index page to this.
